Honorable Stansfield Turner
Director of Central Intelligence
Washington, D. C. 20505

Dear Admiral Turner:

Several months ago we sat in your car in front of the Capitol and had a discussion on a number of intelligence issues--one of which concerned the large numbers of personnel at the Department of Energy with sensitive compartmented security clearances.

You noted that you planned to look into this issue. I am interested in finding out what has been the result of your examination.

Sincerely,

Charlie Rose
Chairman
Subcommittee on Evaluation
